KidsWord Description: KidsWord is a children's liturgy program offered for children in grades K-4 during 9:30 and 11:30 Masses. Children will gather by the baptismal font before mass. They will process into church, receive a blessing, and process to the Disciples Room where a fun, interactive Gospel lesson will be taught. During the Offertory, children will return to church to join their families for the remainder of mass.

- Arrive 15 minutes prior to mass to meet with their team, prepare, and greet children.
- Interact with the children and assist as needed during the lesson.
